

Institute Reserves 1-4 Ballyclare Comrades Reserves

Saturday 8th October – NIFL Development League North

A Scott Cummings brace laid the foundation for Ballyclare Comrades Reserves' win against leaders Institute Reserves at Riverside in a Championship Development League fixture.

'Stute with a one hundred percent record started promisingly and forged ahead in the 8th minute, but this one was cancelled out by Reece Gilmour with a side-foot finish from the edge of the box.

Approaching half time Bobbie Crowe scored his first goal for the club from fully twenty-five yards, leaving Kingsley Burrows' lads 2-1 up at the break.

Cummings opened his account with a volley following good work down the left by Gilmour, and then doubled his tally when he ran on to Ross Clarke's defence-splitting pass and tucked the ball under the advancing keeper.

"It was a great game of football between two teams trying to play similar high pressing possession football," said Burrows. "Today we did it better but the return fixture will be interesting."
